

BE AN R44 **LIFESAVER**

GO SLOW

PLEASE JOIN THE DRIVE TO MAKE OUR ROAD SAFER

The holidays are here!

We welcome you to the beautiful Kogelberg Biosphere.

Thousands of holidaymakers and visitors will travel the R44 to visit this area, often speeding to get somewhere.

TOO MANY tragic car and motorbike accidents happen on the R44

TOO MANY animals are killed crossing the R44

It is one of the most scenic roads in the world, so rather slow down and enjoy the amazing views.

We wish you a safe and happy holiday
